## IPAX – networking with award winners

inked to the International Property Awards, IPAX Dubai, Africa & Arabia is part of an invaluable series of networking opportunities. These events have been specially tailored to create prime meeting grounds where new business liaisons can be formed. Attended by the most prominent property professionals from each region, they enable winners of the International Property Awards to meet with fellow award winners as well as leading suppliers of high-end products and services.

All the regions across Africa and Arabia are represented in these awards this year with the combined value of the projects entered being worth many billions of dollars. As IPAX Dubai, Africa & Arabia attracts the presence of Presidents, CEOs, MDs and Chairmen, suppliers can benefit enormously from networking with major decision makers who are collectively responsible for the region's finest residential and commercial projects.

By attending IPAX events, there is an unrivalled opportunity to meet award-winning developers, architects, interior designers and property agents from across the globe. Through its combination of business seminars and an exhibition, IPAX events provide an ideal platform to promote new business alliances between sponsors, suppliers and supporters.

Including this event and IPAX Asia Pacific which was held in Bangkok in May, a total of five form the 2019-2020 series:

IPAX Americas – October 3rd at Fairmont Royal York Hotel, Toronto, Canada

IPAX UK & Europe – October 24th at Royal Lancaster Hotel, London, UK

IPAX International – December 2nd at the Savoy Hotel, London, UK

Further details on these events can be found by visiting [www.ipaxglobal.com](http://www.ipaxglobal.com).

I very much hope you will join us again at future IPAX events and wish you continued success with your business enterprises.

**ABOUT**

The Association of Designers of Kenya (ADKE) is registered as a professional body under the provisions of Laws of Kenya to advance professional practices and promote standards of Interior Design, Graphic Design and Product Design professions in Kenya.

The Association is happy to work with IPAX Dubai, Africa & Arabia 2019. IPAX is an event full of opportunities for anyone working in or with the property industry. Kenyan market has immensely benefited from the Expo and has celebrated the highest levels of achievements by companies operating in the four main sectors of the property and real estate industry – Development, Architecture, Interior Design and Real Estate.

This year 2019, Kenyan Design industry's conscience has been clear on putting its Creativity to the Global Map. We are all upto this task of presenting our Best Interior Design Works into the Global Award. This association is proud working with International Property Awards to make Kenya Interior Design a Global Profession.

**We feel honored and look forward to working with you in the near future.**
